

Y1/2

The Secret Garden

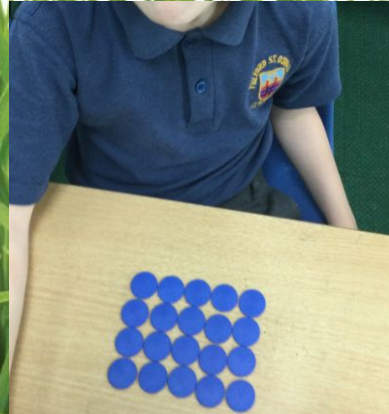

Come and see our
wonderful learning
during summer
term.

Summer 1

Y1 Maths

In Y1 maths, we have been learning to count in 2s, 5s and 10s. We have been making arrays by making equal groups.

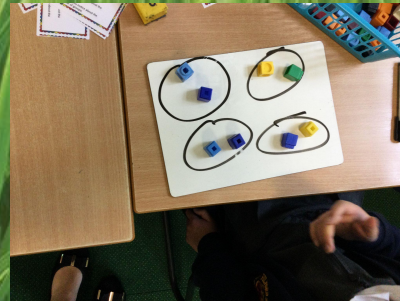

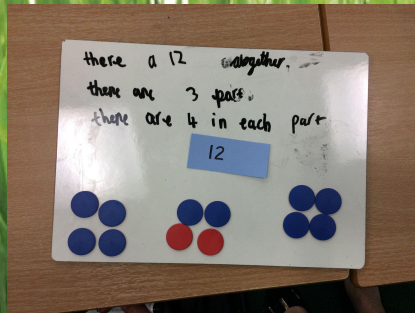

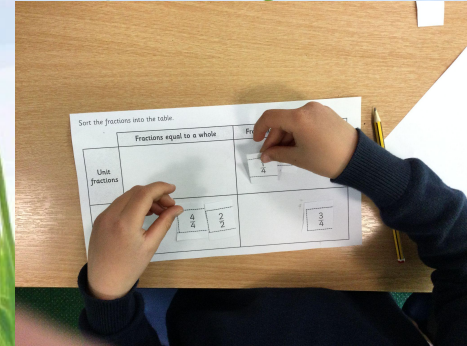

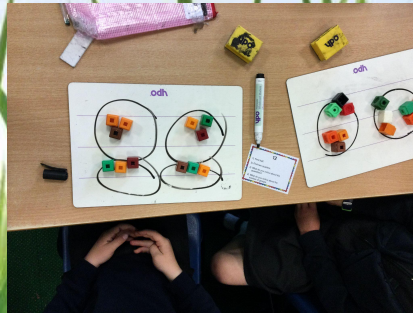

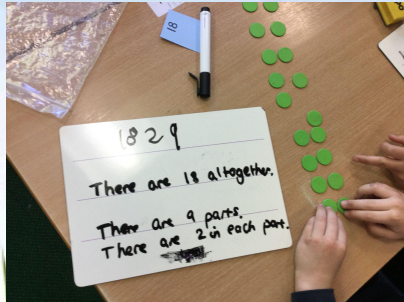

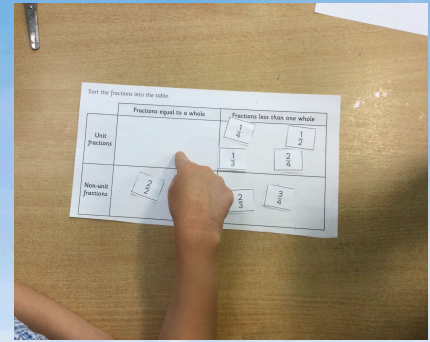

We have also been learning about fractions.

Y2 Maths

We looked at making equal parts.

We learnt about the equivalence between $\frac{1}{2}$ and $\frac{2}{4}$.

We learnt about unit and non-unit fractions. We sorted them into a Carroll diagram.

Science

Naming Plants

Wild Plants

A wild plant seed grows where it falls. It doesn't need to be planted or cared for as it grows.

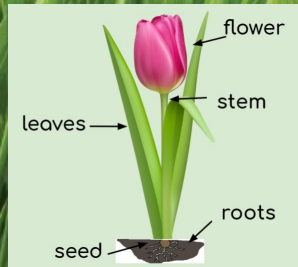

Garden Plants

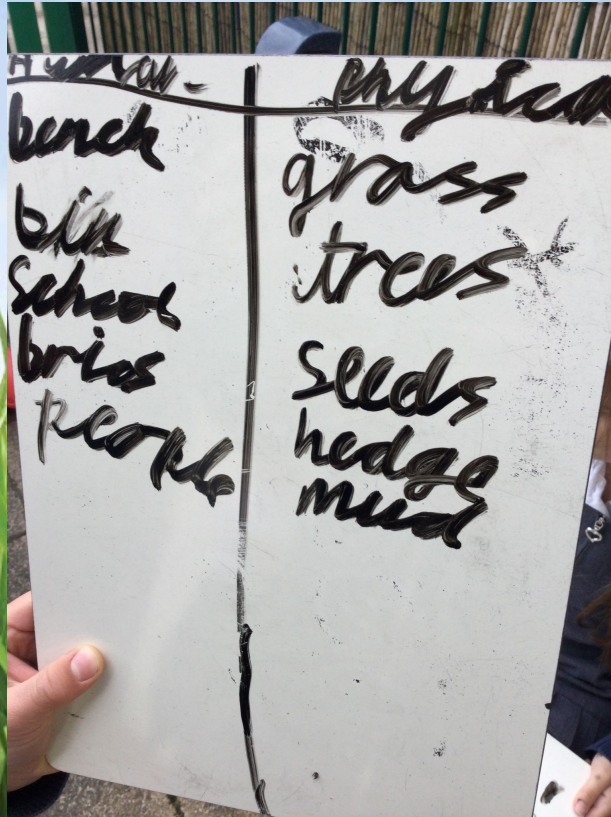

Garden plants are plants that people choose to grow in their gardens.

We have really enjoyed learning about different wild and garden plants. We also learnt about the different parts of a plant.

Geography

Human or physical?

York Castle **Human**

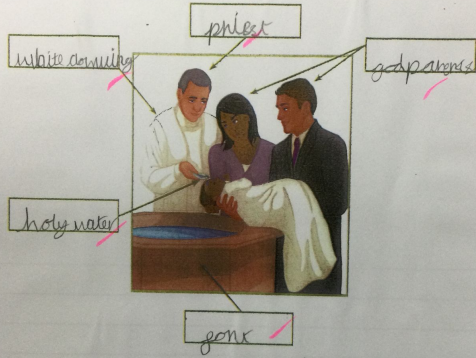

We have been looking at human and physical features. We went on a hunt to see what features what we could observe around our school.

Religious Education

20.05.21

I can show how Christians
welcome a new baby.

The gown is used for a baby's blessing and
welcoming the baby to the world.
The priest & godparents backless to the baby
by putting the holy water on the baby's forehead
At the end of this ceremony the
baby wears white clothes like the priest.

In RE we have been looking at how we belong, and
how different faiths belong as a community.

We also looked at how Eid is
celebrated.

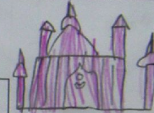

Eid al-Fitr Celebrations

What can you remember about how Eid al-Fitr is celebrated? Draw a picture or write in each box to show
different way of celebrating during the festival.

Have a meal

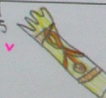

Celebrate

gifts and cards

Mendhi
Pattals

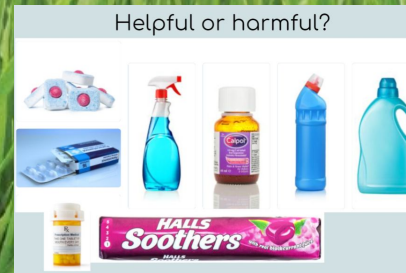

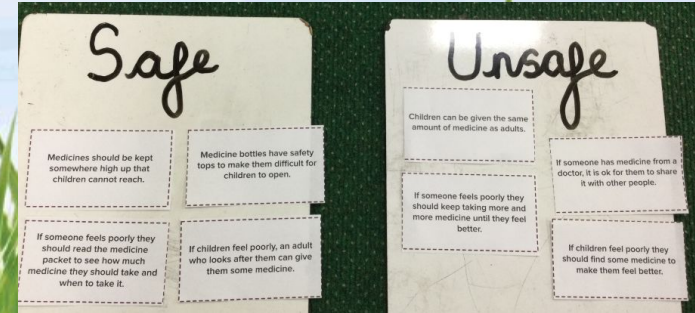

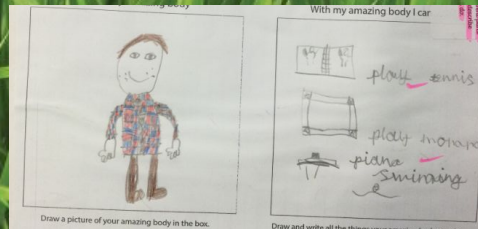

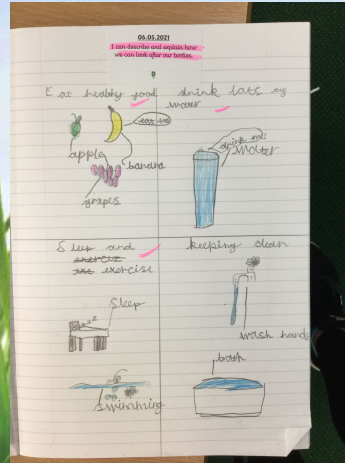

Relationships Health Education

In RHE, we have been exploring healthy and happy minds.

We learnt all about our amazing bodies.

We explored how we can stay safe and healthy.

P.E.

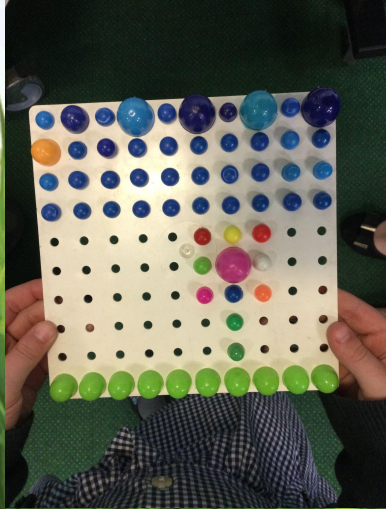

In PE this half term we have been practising our running and jumping.

We looked at different ways of jumping, kangaroo style!

We took part in a really fun sports morning where we did lots of different spotting activities.

We have really enjoyed our creative provision areas.

Gardening

We have really enjoyed planting our own seeds in the garden.

YoYo

We had a wonderful workshop with YoYo all about the creation story. We then made our own seed bombs.

Thank you for looking at
all our wonderful
learning in Summer 1.
