

Look at what we've
been learning
Spring 2

Communication and language

We have really enjoyed being our own teachers this term. We have our own set of Little Wandle sound cards to help us to do this!

We learnt about 999. The police showed us their uniform and we got to try it on. They had a walkie talkie which had a special button, a torch, handcuffs, plasters, gel, and a notebook.

Physical Development

Fine motor skills are always a big focus for us but particularly this term. We have had cutting skills everywhere, finger fun activities and dough disco every week to strengthen our fingers for writing.

We are still loving the bikes but are also practising our scooter skills :)

Personal, Social and Emotional Development

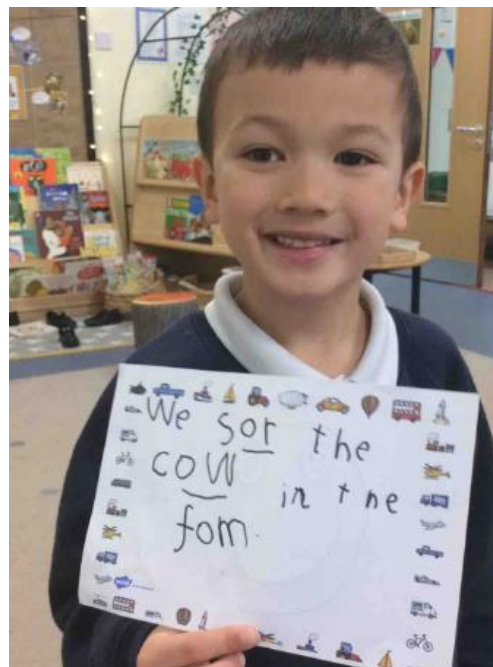

Our Wild Area helps us to practise our personal, social and emotional skills. We work together in pairs and small groups to make things like our bird feeders that we have hung up this term.

We have had Science Week this term and we had a science investigation to complete! We worked together to talk about what we thought, test our ideas and find out the answer.

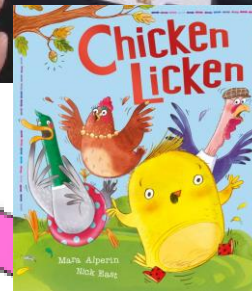

Literacy

Our writing has really taken off this term!

We have been using Drawing Club to help us gain independence in our writing this term. We have loved it!!!

The Tiger Who Came to Tea

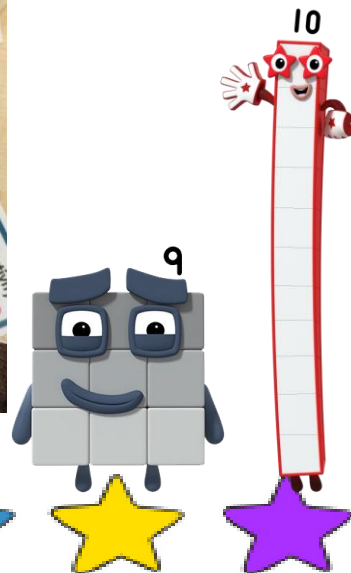

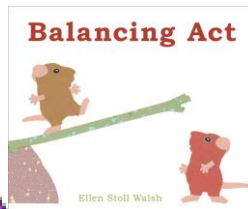

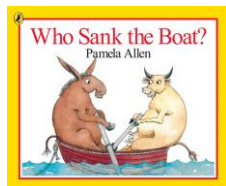

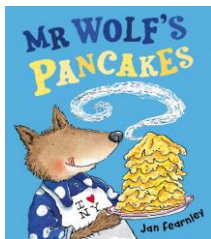

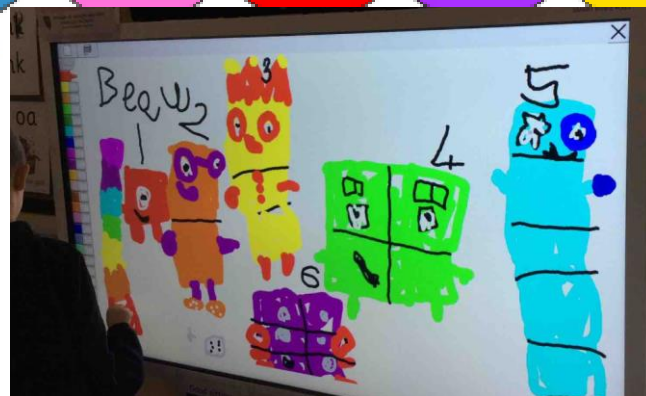

Maths

In maths, we have learnt all about measurement. We have also been looking at the number 9 and 10.

We measured our ingredients to make pancakes for Shrove Tuesday.

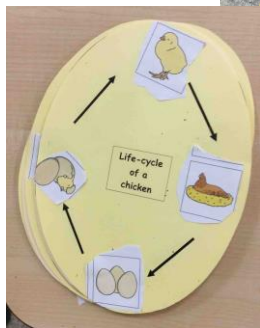

Understanding the World

What a busy term of investigating! Finding out about farm animals, life cycles and investigating in Science Week!

We investigated our Gingerbread Man to find out... if he was made of a different biscuit could he have crossed the river without the fox!

As part of our celebrations we celebrated Shrove Tuesday with pancakes!

Expressive Arts and Design

We have been working on our drawing skills through Drawing Club and adding details to our art work.

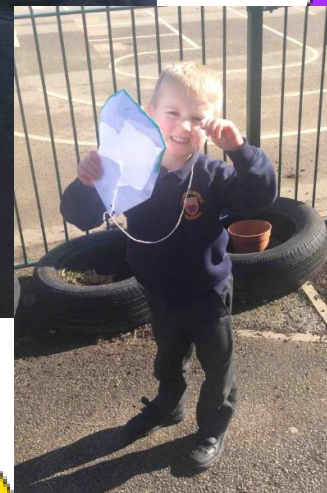

We really enjoyed our Musician visit!

We made chicks on our farm day.

A tiger who came to tea!

Making kites!
