

Look at what we've
been learning
Summer 2 EYFS

Communication and language

Chatting about pirates and working together to help each other with details, shapes and colour.

Talk spaces - Summer themed this term

"Come and take a look at our cafe. What would you like?"

Physical Development

Our fine motor skills helped us to put the right number on the pirate flag.

Skip to be Fit was Hiit to be Fit this term! What a workout!!

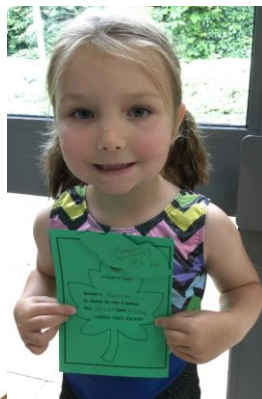

twinkl.com

Personal, Social and Emotional Development

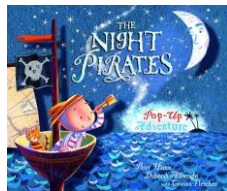

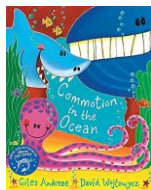

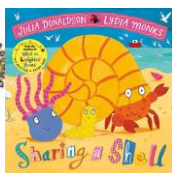

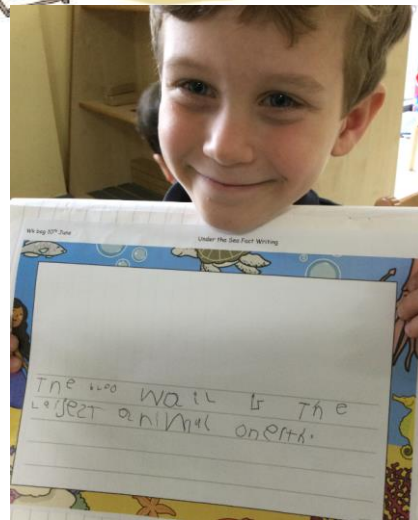

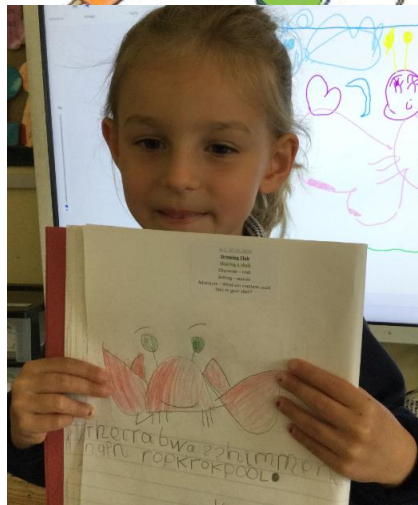

We did things for others and made a card for Father's Day

Our value this half term was **justice**.

Literacy

In literacy we have been concentrating on writing sentences. We have been remembering capital letters, finger spaces and a full stop. And using our phonics to write words we want to write.

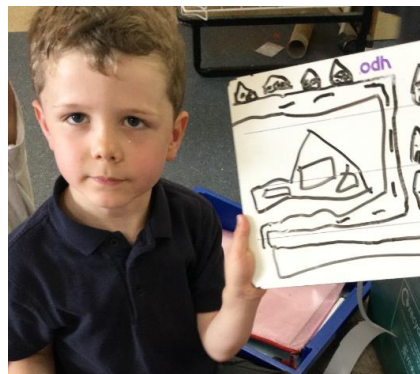

Our books have helped us to learn new vocabulary like... fearsome, voyaging, ocean and anemone

Maths

In maths we have enjoyed looking at maps and creating our own journeys, maps and pirate maps.

Lots of maths happening in provision too!

Understanding the World

Our map exploring came from our Pirates but led into music and where we find different instruments.

Expressive Arts and Design

Our Pirate weeks saw us painting pirates, maps, treasure and getting into character!

We made our own pirate flags!

We had the
proms in our own
playground!

Playground Proms

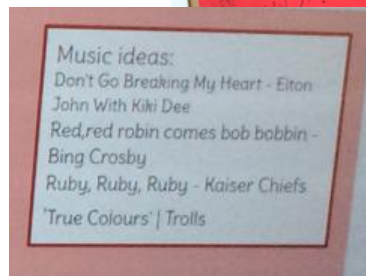

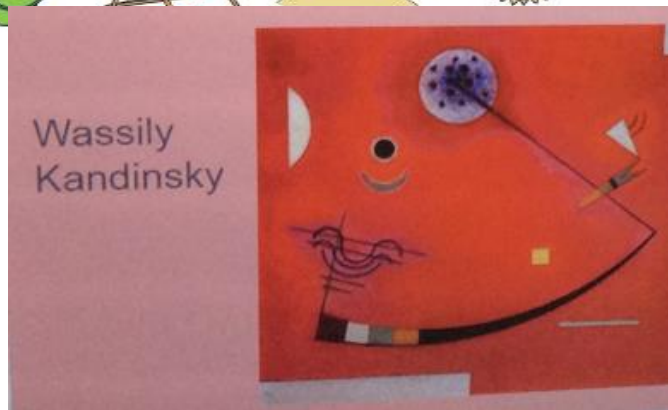

We made flags to wave.

We listened to the
musicians play
their instruments.

Arts Day

Sports Day

Rugby fun day

We did lots of activities to raise money for York Foundation rugby

Beach Day

The culmination of our Seaside theme with paddling pools, water fun, bouncy castles, hot dogs and ice creams!
