*St Oswald's CE Primary School - Afterschool Club*

**Monday -Friday 3:05pm - 6pm**

**Term time only**

## Activities

We offer a wide range of activities to keep children engaged and entertained, including various art and craft activities, a variety of toys, board games, play equipment, and outdoor games (weather permitting). Quiet areas are available for children who prefer activities such as reading, colouring, or drawing, and during some of the quieter sessions, we may watch cartoons or movies. Children are encouraged to select their own activities or can join in on an age appropriate organised activity. From 5:15pm, all children staying for the later session will move into the school hall for a quieter, more relaxed environment.

## Club

We are pleased to offer afterschool care for pupils of St Oswald's school, aged 4-11 years old. The club is run by school staff and is located on school grounds, utilising both indoor and outdoor areas.

Pupils are collected directly from their classrooms or from an extra-curricular activity, by a member of our team.

## Snacks

- A light savoury snack is provided at the start of the session.
- A variety of fruit is available throughout both the regular and later session.
- We cater for pupils with special dietary needs.

**For the later session (5:15pm - 6pm):**

- Pupils may bring a light savoury tea time snack from home to be consumed after 5:15pm.
- Please ensure snacks are nut free and suitable to be stored at room temperature.

## Booking

All places are pre-booked and paid for using Parent Pay.

Places may be booked a term in advance to secure your child's spot.

For any booking related issues, please contact the wraparound care manager or school admin team for assistance.

## Pricing

**Regular session** (3:05pm - 5:15pm):£8.25
