

The background of the slide is a repeating pattern of stylized rainbows. Each rainbow consists of three distinct bands of color: a top band of light blue, a middle band of orange, and a bottom band of light green. The rainbows are arranged in a grid-like pattern, with some appearing as full arches and others as partial arches at the edges.

# Look at what we've been learning

Spring 1 2026  
Reception

Around the World

# Communication and language

Year 1 and 2 shared their stories with us at the end of term

Preparing the vegetables for Lunar New Year noodles

# Physical Development

Independent handwriting challenges complete!

Pen Disco!  
Loving strengthening our pencil grip this term with this session

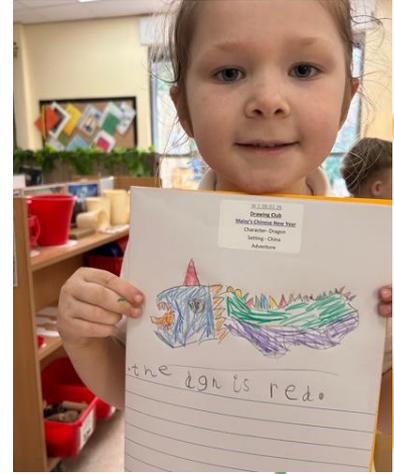

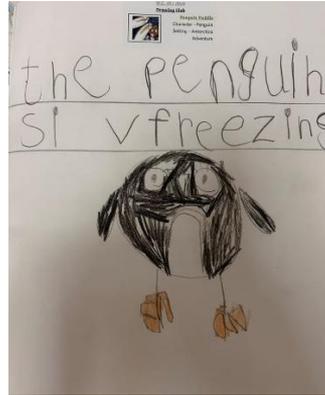

# Personal, Social and Emotional Development

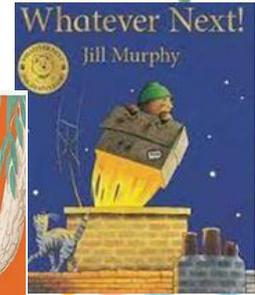

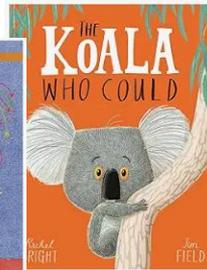

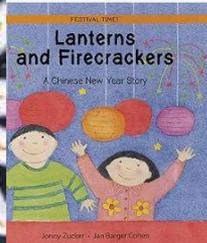

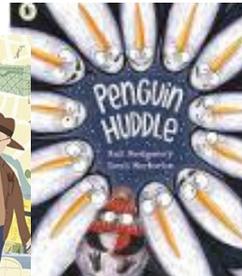

Very proud of our Oswald certificates and caring tree leaves showing our value of 'friendship' this term

# Literacy

Our focus this term has been letter formation, pencil grip and using our phonics and gaining confidence in our writing. Lots of Drawing Club and lots of independence :)

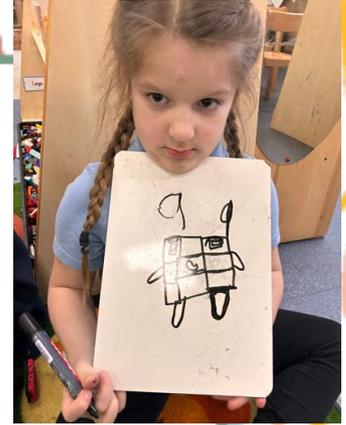

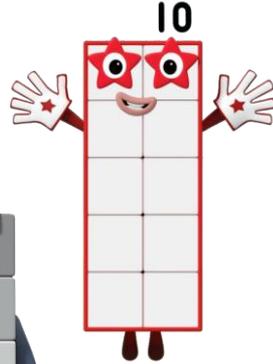

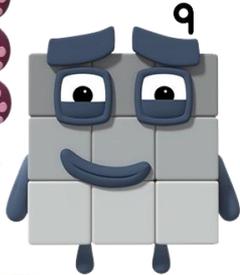

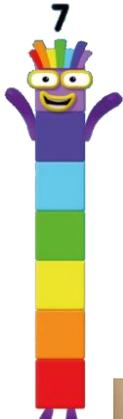

Books of the Week... linked to our topic Around the World

# Maths

Our Maths this term has focused on numbers 6, 7, 8, 9 and 10.

# Understanding the World

Antarctica week was quite cold!!  
We loved investigating the ice!

"We're doing science!"

We've learnt about lots of places around the world this term; London, Paris, Antarctica, Australia and China

Winter weather and then signs of Spring seen in the Wild Area!

Making a roof for the hedgehog house

## A Lunar New Year celebration

Preparing, making  
and eating our own  
noodles

# Expressive Arts and Design

The french flag has blue, white and red!

In Space there are  
LOADS of stars!

Penguins are from Antarctica!

Model making has been amazing this term!

R.E

Which places  
are special and  
why?
