The background of the slide is a repeating pattern of stylized rainbows. Each rainbow is composed of several curved bands in shades of orange, yellow, light blue, and teal, with a dark teal arch at the base. The rainbows are arranged in a grid-like fashion across the entire page.

Spring 2 2026
Amazing Animals - Down on the Farm

Communication and language

A focus on listening and responding to stories, remembering our learning so far and being able to explain ourselves clearly.

We have had lots of visitors this term and have focused on our listening and responding.

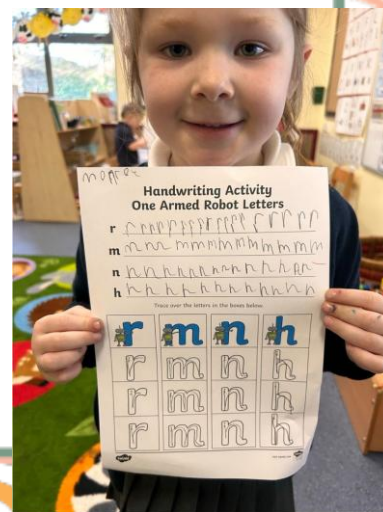

Words of the week have been developing our vocabulary in Drawing Club

Physical Development

We have been focusing on gymnastics in PE this term

We have focused on our core strength outside with obstacle courses and balancing... and tree climbing in the wild area!

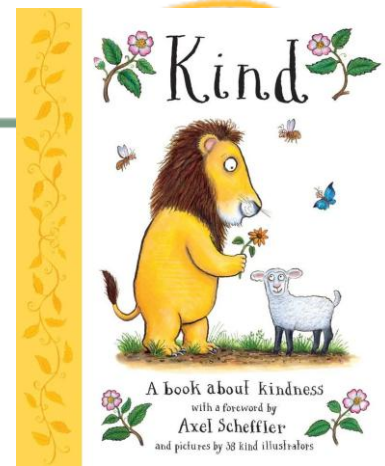

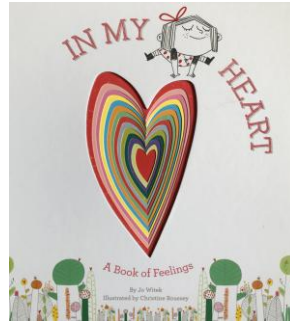

Personal, Social and Emotional Development

© 2018 Zones of Regulation, Inc.

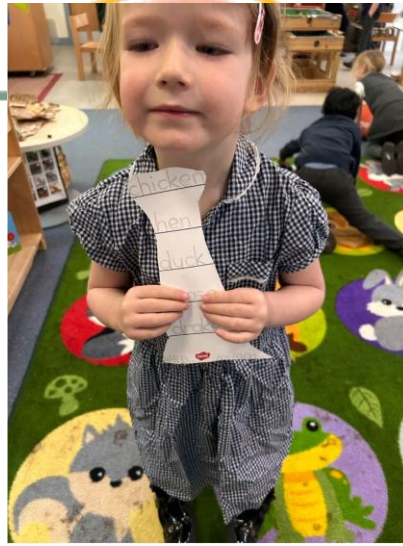

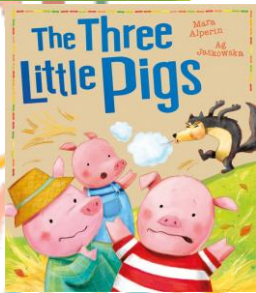

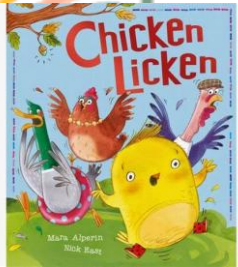

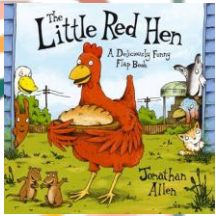

This half term we have focussed on our zones of regulation. We have explored strategies we can use in different situations.

Our focus books
this term...

Literacy

World book Day

Maths

Our Maths, this term has focused on length, height and time. We have also looked at 2D and 3D shapes.

We have used the words taller, shorter and the same to describe our height.

Understanding the World

Science week
was great fun!
We made bread
like The Little
Red Hen

Lots of signs
of Spring

Our Farm Visit

We loved our farm visit to start our term

We met lots of animals and found out lots of information from Farmer Rachel

We carried on and learnt lots about the animals we might see on the farm.

Our Farm Visit

Meeting the animals, finding out about how to look after them and having a go ourselves.

Expressive Arts and Design

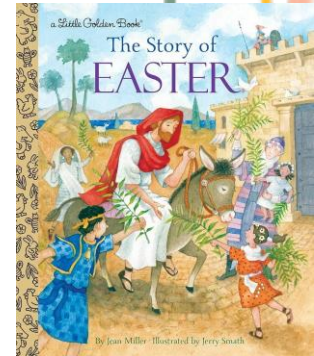

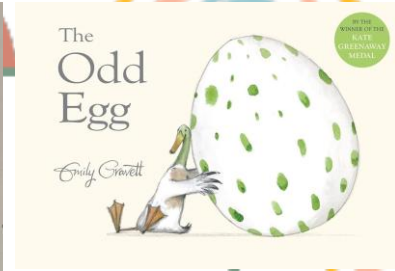

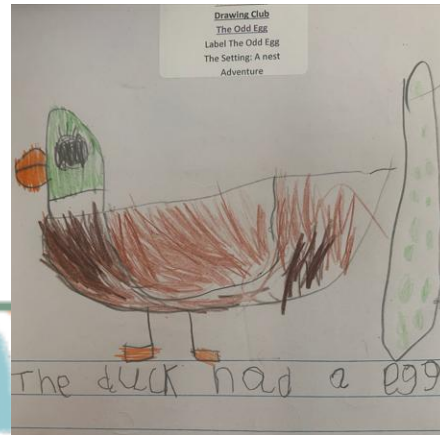

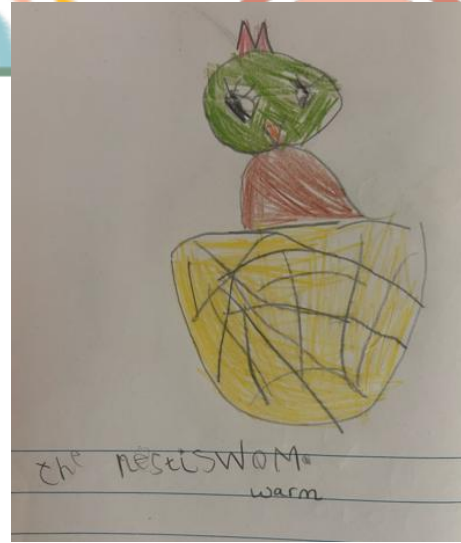

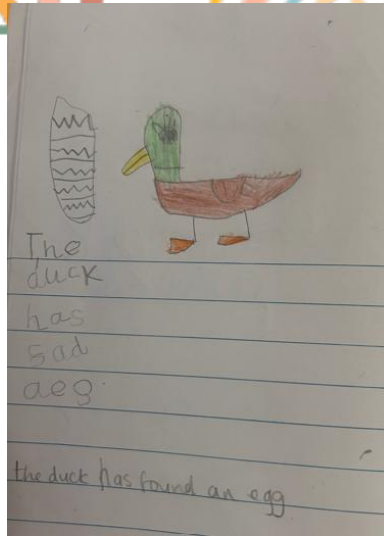

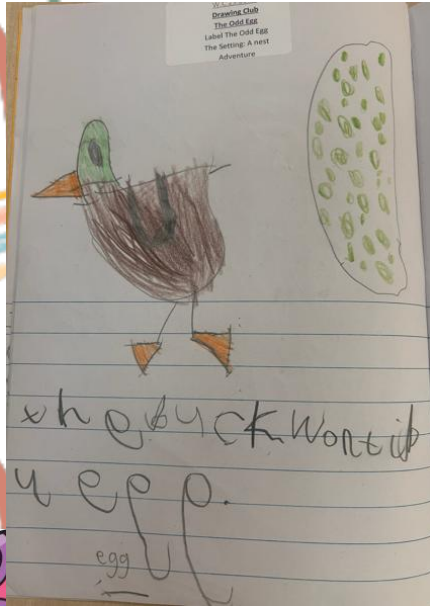

We have been making and drawing farm animals this term.

We have been making lots of small worlds, especially loving our farm animals and buildings.

Easter

Our Drawing Club story was all about eggs.

We found out about Easter celebrations.
