

Look at what we've
been learning
Summer 1 EYFS 2026
Come Outside!

Communication and language

Turn taking games and sharing stories with our friends.

Physical Development

Threading a bean stalk and scissor skills to explore vegetables.

Personal, Social and Emotional Development

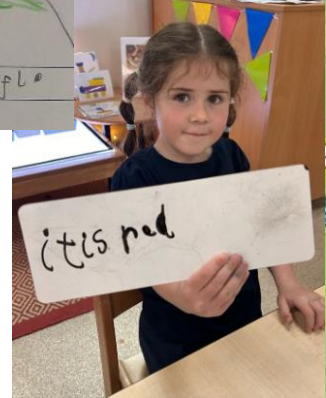

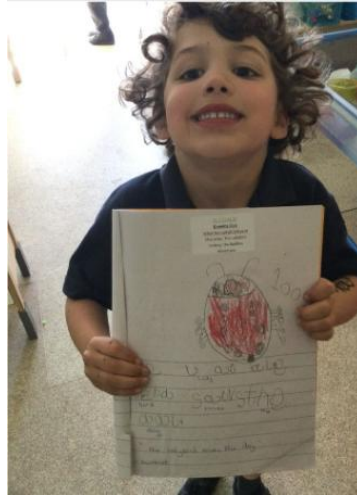

We have strong relationships

Our school value this half term was trust.

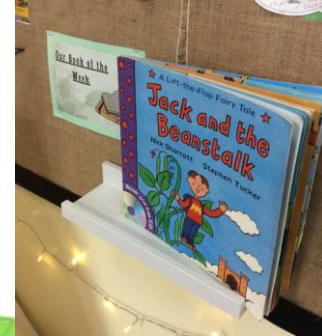

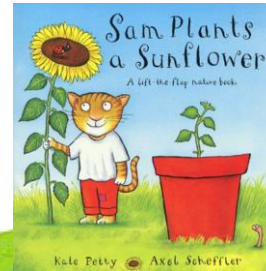

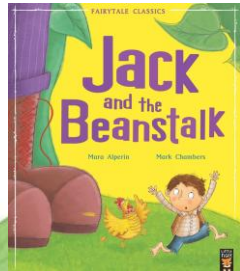

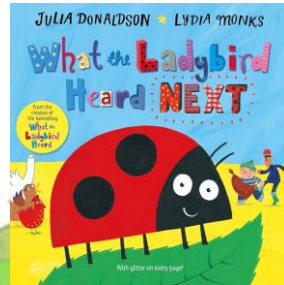

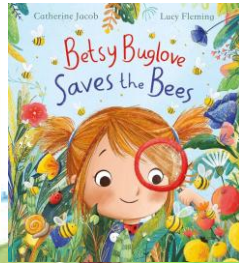

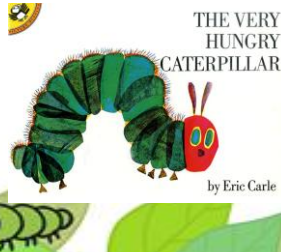

Literacy

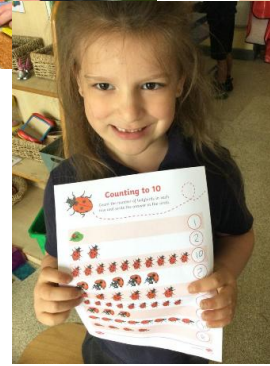

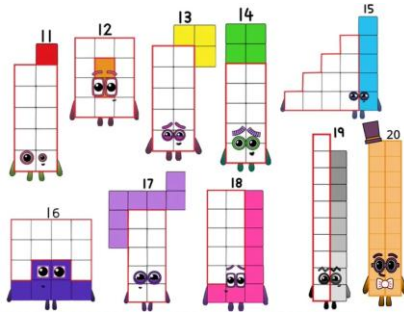

Fantastic writing progression this term

Maths

In maths this half term we have been learning about numbers beyond 10. We have been adding more and taking away.

Understanding the World

We have been watching caterpillars, sunflowers and beans grow this term.

Fruit kebabs!

We have been making fruit kebabs after reading the Story Oliver's Fruit Salad and finding out about ways to keep healthy.

Expressive Arts and Design

Observational sunflower drawing using oil pastels, potato printing patterns and making minibeast with playdough.
