

Welcome to Y1/2 African Adventures Summer Term 2

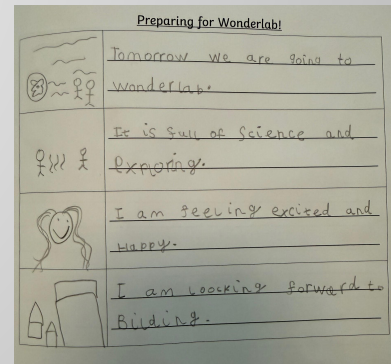

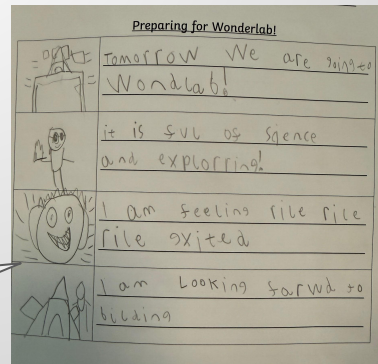

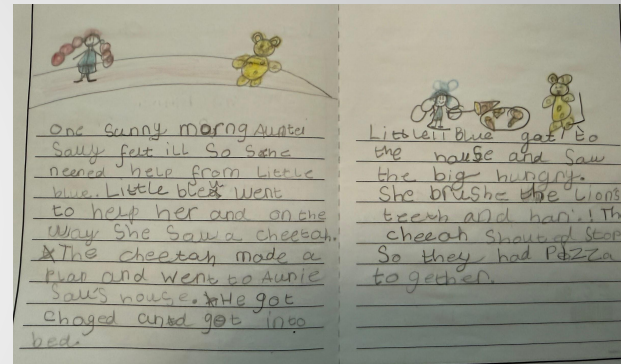

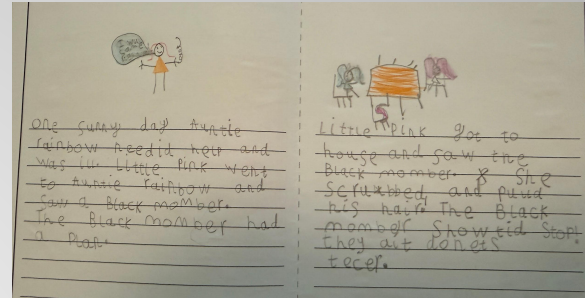

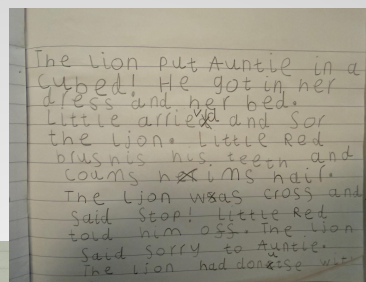

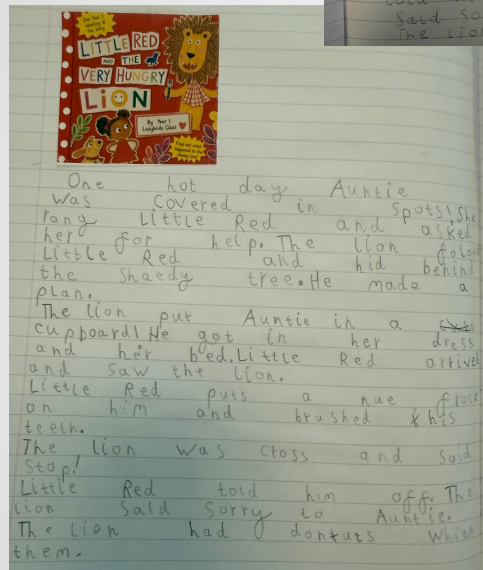

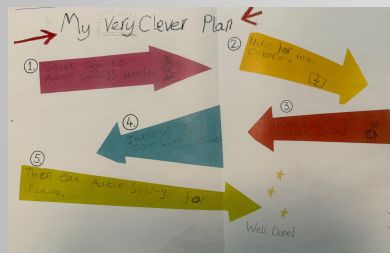

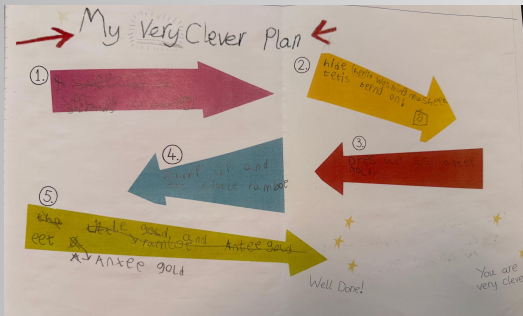

*Learning for all, caring for each other, preparing for the
future.*

'Let us encourage one another' Hebrews 10.25

English

Ladybirds class

In Ladybirds class, we have read the story 'Little Red and The Very Hungry Lion'. We retold the story and then wrote our own version. We also told a recount of our visit to Wonderlab and made predictions about what the day would be like.

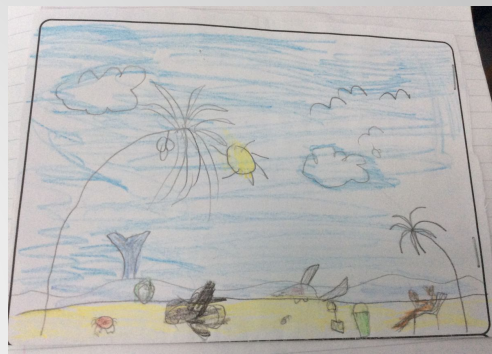

English

Butterflies class

In Butterflies class we wrote postcards from Sunny from the different places he visited.

Thursday 11th
It is so loud, busy and big. A hee!
there is a bus of chooks and a lot of other things.
I wish I was home. I wish the noisy noisy
with the noise.
It's so noisy, it's so big and it's so
big. He has a small butterfly on his nose.
He has big black eyes and a big nose.
He is a bird because

11.6.26
Dear Sunny,
I had to leave the
burrow because the noise was too big.
I am going to find summer soon.
I am hoping my family is safe.
Love from
Sunny

09.06.26
Dear Mum and Dad,
How are you all? I've finally made it to London, England! I know I said I wouldn't travel again, but when I got the invite from Mr and Mrs Grovett to stay, I just could not resist!
They've taken me to all sorts of wonderful places like the Tower of London, Big Ben and the London Eye. Have you been before? There seems to be a lot of strange, wild birds here who are not afraid when I chase after them! I think they call them pigeons. It was very busy at these places and I told the them that we should follow our family motto of "Stay safe, stay together" because that would stop us from getting lost.
The food here isn't as good as back home. Mum, I miss your beetles on toast! Mrs Grovett said she wouldn't make it for me, so I've had to hunt in the garden for spiders to eat. They don't taste the same as back home. Are you missing me?
The weather has been quite good, but for the last few days all it has done is rain. If it doesn't improve, I will cut my trip short like I did when I stayed with Frank and Mildred. You know I can't stand the rain or getting wet! Is it nice and hot for you?
It's not just the food and weather getting me down. I miss our family too. Only living with four other people doesn't feel right, so I'll probably be home soon.
Lots of love and snuggles,
Sunny

From...

Dear family
The weather here is very hot.
I have been eating here
and big. I have been
to the beach.
Love from Sunny

Kalamari Desob

English

Honeybees class

We used 'Meerkat Mail' as our text this half term. We wrote a postcard pretending to be Sunny and he had visited the Maasai Mara- using our knowledge from geography lessons.

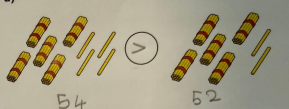

We shared our postcards with the year 1 children in Ladybirds class.

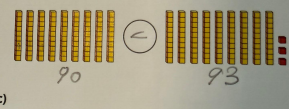

Y1 Maths

In Year 1 maths, we have been learning all about time and reading the time to the nearest half hour. We also named the days of the week and the months of the year. We found out how many days are in each month.

17.06.26
I can compare numbers from 50 - 100

Write < or > to compare the numbers.

a)  54 > 52

b)  90 < 93

c)  64 < 67

a) 19 < 41

b) 51 > 24

c) 79 < 80

d) 100 > 93

22.06.2026
I can compare any two numbers using < > or =

a)  40 < 60

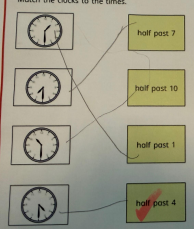

b)  50 < 40

c) 90 9 tens < 2 tens 20

d) 70 < 80

I can tell half past times on a clock

Match the clocks to the times.

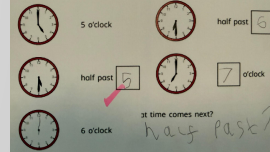

half past 7
half past 10
half past 1
half past 4

Draw hands on the clocks to show the times.

a)  half past 7
c)  half past 3
b)  half past 9
d)  half past 11

Read the problems

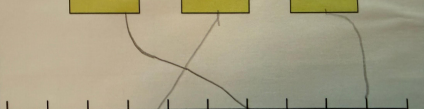

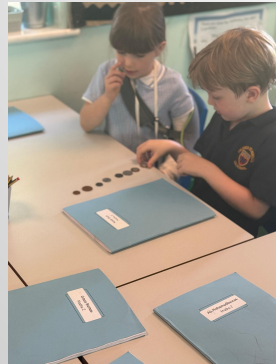

5 o'clock
half past 5
7 o'clock
6 o'clock

What time comes next?
half past 7

Draw arrows to estimate where the numbers belong on the number line.

65 39 92

I can count from 50 - 100

Ron counts forwards from 50

 50, 51, 52 ...

Write the next three numbers.

 50, 51, 52, 53, 54, 55

To finish our year of study, we extended our number knowledge with numbers up to 100! We have looked at the place value of these numbers and added and subtracted numbers too!

Y2 Maths

We compared measurements and ordered them from smallest to greatest or vice versa.

We have been learning about measures this half term. We started on greater than/less than a metre and then practised using cm. For mass we learnt about grams and kilograms. In capacity we learnt about ml and litres.

Science

We had a Science Day of exciting investigations.
How many pencils do you think we could pierce a bag of water with before it leaked?

We also made oobleck, a coke and mento rocket, homemade lava lamps and liquid with three different layers.

We made a 'tap' with a bottle of water and two straws. We worked out how to start and stop the water flowing out of our 'tap.'

Geography

In Geography we have been learning the names and locations of the 4 countries in the UK.

And also using an Atlas to identify the surrounding seas of the UK.

DT

We designed and made our own finger puppets! Look at our amazing sewing skills!!!

RE

08.06.26 I can recognise ways Jesus was a friend to the friendless
Being a friend to the friendless

Just like Jesus became a friend to the friendless, how could you help the people in the pictures?

play with her.

ask her to if she is ok.

push him on the swing.

give to charity

In Religious Education, we have been considering what Christians believe is the good news Jesus brings.

Just like Jesus became a friend to the friendless, how could you help the people in the pictures?

 To make sure if she is fine.

 To ask if she is ok.

 To ask he want to play with us.

 To give money to him.

Peace In Our Hearts
Christians believe Jesus is good news because he gives his followers peace.

Things that might trouble you

being ignored

Something that brings you peace

being forgiven

having toys

Bracking

having Cuddle a

I can represent the 4 types of peace Christians believe in

Peace inside 	Peace with other people 
Peace in the World 	Peace with God 

winning trust Helpful caring

brave

loyal

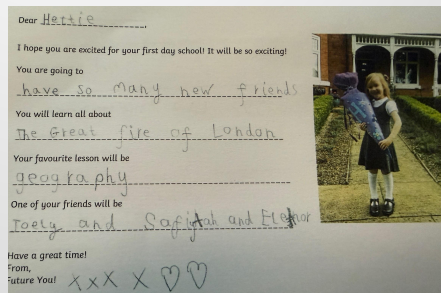

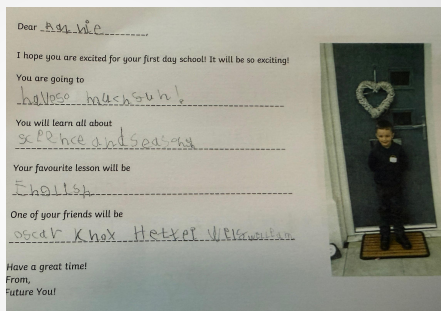

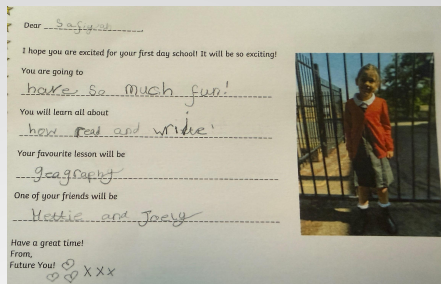

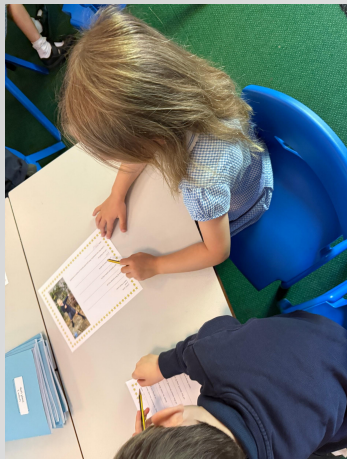

We have considered how Jesus chose his disciples and how forgiveness and peace are important within our lives.

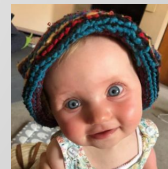

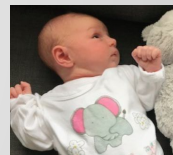

Forgive and you will be forgiven

RHE

In RHE, we have been learning about changing and growing. We have studied how animals and ourselves change based on how they look and what they need.

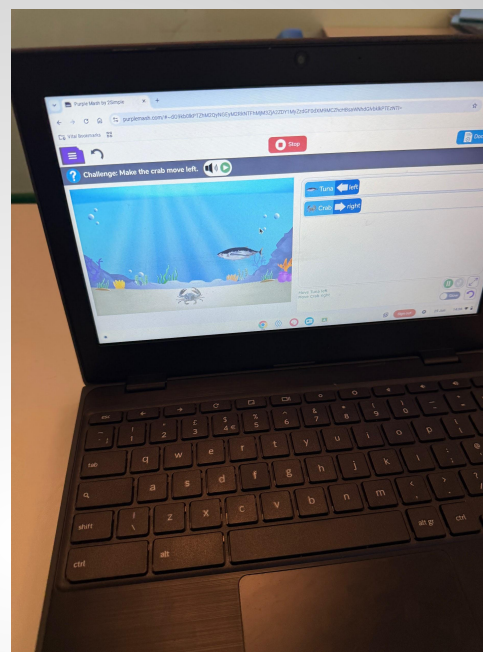

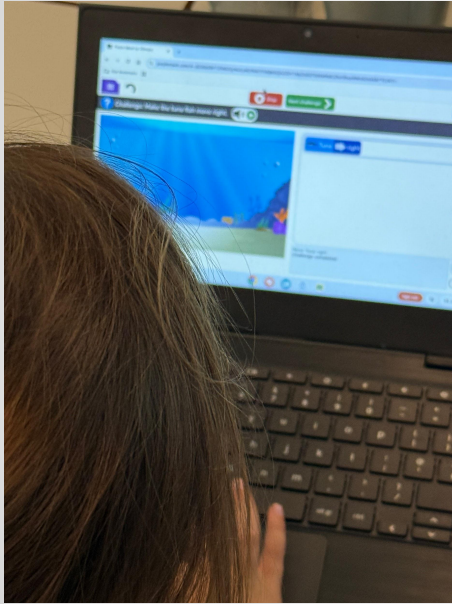

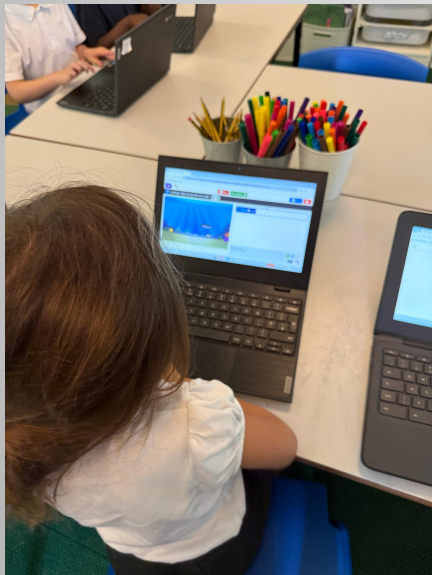

We considered how we have changed since we were little and wrote a letter to ourselves based on our first day of school.

Sports Day

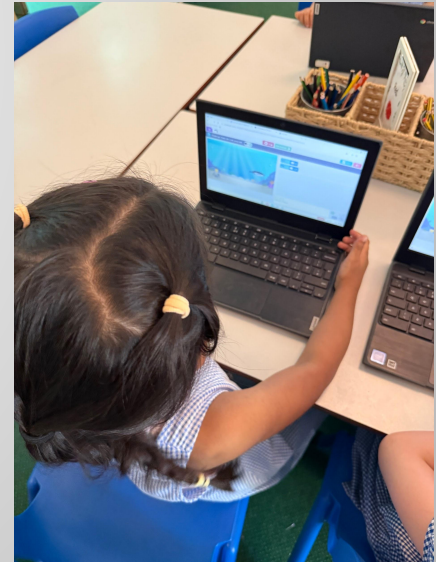

Computing

We have become
super coders on
Scratch!

In computing we have
been developing our
coding skills on Purple
Mash.

Music

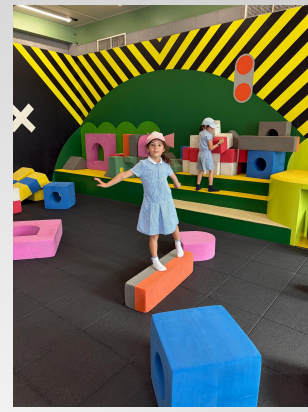

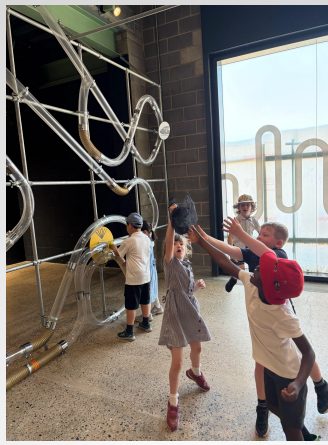

In music, we have been learning to play a glockenspiel along to music. We ended with a performance of hands, feet, heart.

Some children were playing a slow part, some a faster part and others were singing the song and then we swapped over.

Wonderlab

And lots, lots more!!
